

# Vogel-Peterson Decorator Line

## HAT AND COAT RACKS

### Designers Series

Styled to harmonize with fine appointments and engineered to be easily installed, these new hat and coat shelves and racks are quality fixtures in every sense. Architects favor them for their structural soundness, solid design, adaptability and functional efficiency. Interior designers enthuse over their soundness, dignity, finished details, and the choice of modern color combinations.

**VOGEL-PETERSON CO.**

*"The Coat Rack People"*

**ELMHURST, ILLINOIS**

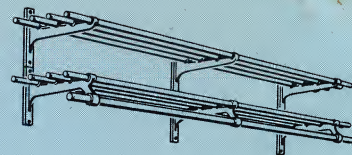

Shelf Style WA 21 illustrated above. Solid oil finished walnut shelf and hanger bars with walnut inlays on brushed aluminum or black cast aluminum brackets make this coat rack a thing of beauty and high quality. Can be supplied as illustrated with solid walnut style V17X garment hangers, held in Y100 receptacles. Lengths start at 24" through 72", in 12" standard increments.

A COMPLETE LINE OF

# Decorator Line RACKS

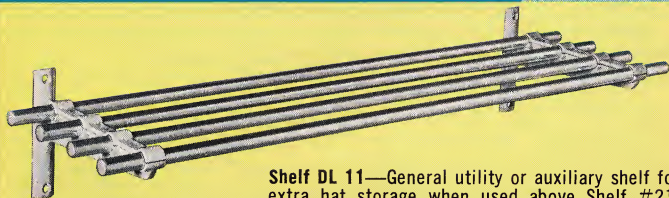

## WALL RACKS

Shelves can be put up as single units or in multiple installations in tiers several shelves high and/or end to end for lengths greater than the 8 foot standard maximum. Standard lengths by the even feet start at 2'0".

MODEL  
DL

11

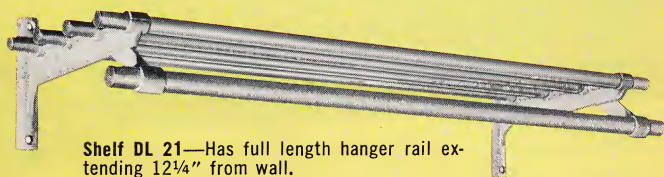

**Shelf DL 11**—General utility or auxiliary shelf for extra hat storage when used above Shelf #21, #31 or #51. EXTENDS—11 inches from wall.

- Shelf WA 11 same, except has walnut rods and walnut bracket inlays.

MODEL  
DL

21

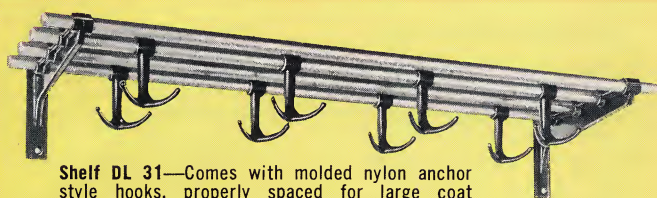

**Shelf DL 21**—Has full length hanger rail extending 12 1/4" from wall.

- Shelf WA 21 same, except has walnut rods and walnut bracket inlays.

MODEL  
DL

31

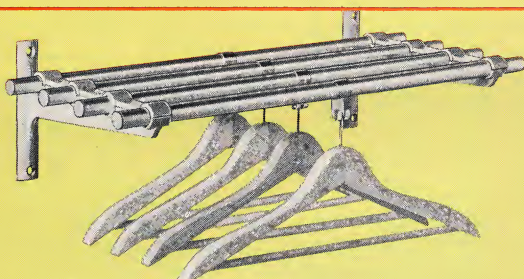

**Shelf DL 31**—Comes with molded nylon anchor style hooks, properly spaced for large coat capacity.

- Shelf WA 31 same, except has walnut rods and walnut bracket inlays.

MODEL  
DL

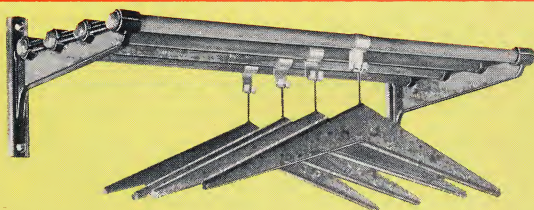

51

**Shelf DL 51**—Y17P hangers mount into receptacles parallel to the wall and can only be used in these fittings, thereby avoiding loss thru permanent removal. Four standard sizes—2, 4, 6 or 8 ft. long, with 4, 8, 12 or 16 hangers, respectively, with each rack.

MODEL  
WA

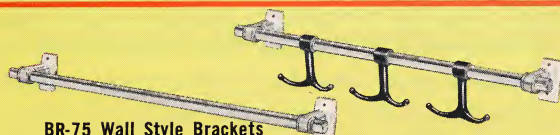

51

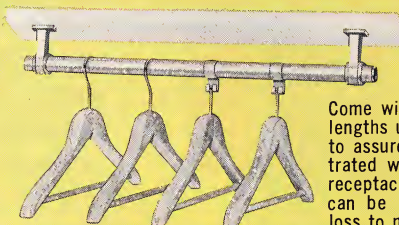

**Shelf WA 51**—Walnut rods and walnut inlays on brushed aluminum or Black aluminum brackets, plus modern solid walnut garment hangers, makes this shelf a thing of real beauty. Three standard sizes—2, 4 or 6 ft. long, with 4, 8 or 12 hangers, respectively, with each rack.

MODELS  
BR

75  
AND  
100

**BR-75 Wall Style Brackets**  
Come with 3/4" O.D. Anodized Aluminum Tubing and are furnished up to 8'0" long, with sufficient number of brackets for maximum support. Illustrated above as wall hook strip using anchor type molded nylon hooks or as plain utility rod for towel bar, hand rail, etc.

**BR-100 Under Shelf Brackets**  
Come with 1" O.D. Anodized Aluminum tubing in lengths up to 8'0" with brackets properly spaced to assure necessary support. BR-100 above illustrated with standard suit hangers or with Y100 receptacles and Y17X hangers. Y style hangers can be used only with Y receptacles, reducing loss to minimum.

Decorator Line racks combine quality, strength, design and color to bring you the very finest of coat and hat racks available. Shelves are formed of heavy wall 3/4" O.D. Anodized Aluminum tubes with matching colored capped ends, or with beautifully finished solid walnut rods. Hanger rails on shelves #21 are 1" O.D. tubes or walnut rods. The smartly designed cast aluminum brackets with integral cast covers that clamp tubes securely can be spaced on centers to match grounds or studs. They have been designed not only for beauty but for strength, and are handsomely finished in baked-on colors or with walnut inlays on brushed aluminum or black cast aluminum brackets as illustrated on the WA series. There are no protruding screws, no sharp edges to damage hats or garments.

The gracefully shaped anchor style hooks are molded of nylon to give smoothness, solid color and great strength. Hooks can be spaced as desired and are held firmly by means of set screws. Users enthuse over the beauty of Decorator Line racks and the built-in ruggedness of these fine shelves. They blend gracefully with finest interiors.

Shelves #11, 21 and 31 are supplied in standard lengths from 2'0" through 8'0" by the even feet. Corresponding shelves in the WA series supplied 2'0" through 6'0".

# FLOOR MODELS

Styling, sound engineering and careful workmanship have been incorporated into these models to create coat racks of top quality.

Heavy rectangular standards of  $1\frac{1}{8}$ " x  $1\frac{3}{4}$ " x 16 gauge steel tubes are joined by welding to the modern base sections. Standards are spaced apart by  $1\frac{1}{8}$ " x  $1\frac{3}{4}$ " tube concealed by lower shelf section. Cast aluminum arms securely hold the anodized aluminum shelves. Sturdily braced, these racks will stand rigidly for a lifetime of service.

Both Hanger and Hook types come in single or double face styles.

**HANGER STYLE RACKS** come in basic 2'-3'-4' and 5' lengths and add-on lengths of 3'-4' and 5' to make longer sections as required.

**HOOK STYLE RACKS** come in basic 2'-3' and 4' lengths and add-on lengths of 3' and 4' to make longer sections.

**CASTERS**—Complete caster sets including 4-3" B.B. swivel casters with cross shock bracing available for all basic lengths of racks.

## COLOR SELECTIONS—

End Standards — Grey, Mist Green or Desert Tan  
Shelves — Clear anodized aluminum tubes  
Hanger rail — Chrome plated steel

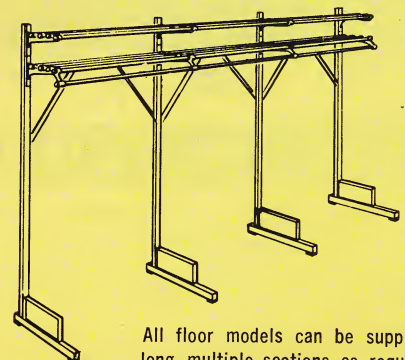

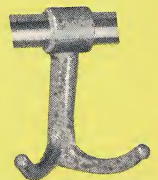

**COAT CAPACITIES**—Hangers and Hooks are included with these respective styles. Capacities as follows:

	2'	3'	4'	5'
Hanger Style	8	12	16	20
*Hook Style	12	20	24	—

\*Double prong nylon hooks hold 2 coats each.

Heavy chrome plated 14 gauge hanger rail on all Hanger Style floor models will hold extra garment hangers. Order additional hangers where required.

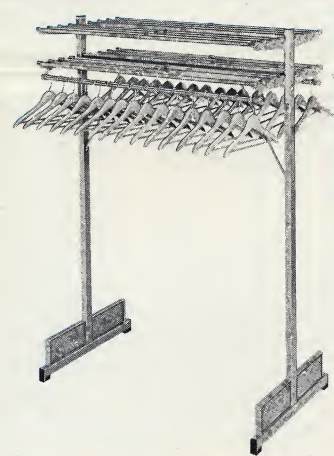

Durable double prong molded nylon hooks spaced on pre-determined centers. Will not rotate on tube. Colors—Grey—Black—Beige.

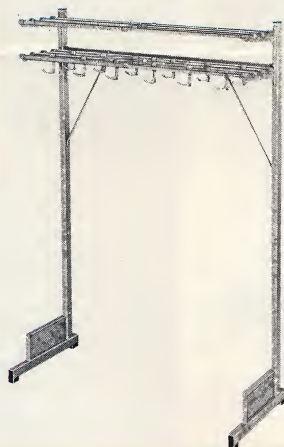

All floor models can be supplied in long multiple sections as required.

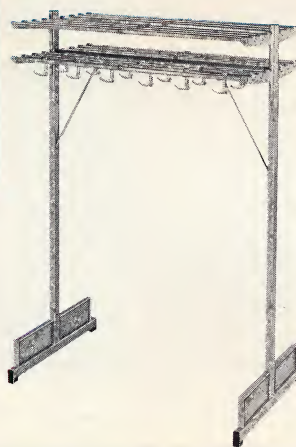

**STYLE #SDH Single-face wall stand.** Furnished with 4 hangers per foot. Height 69 $\frac{1}{2}$ " — width at base 18 $\frac{1}{2}$ " — Lengths 2'-1 $\frac{1}{4}$ " through 5'-1 $\frac{1}{4}$ " by even foot. Built-in wall buffer at base. Correctly balanced —will not tip forward.

**STYLE #DDH Double-face "island" stand.** Furnished with hangers — 4 on each side to each foot of length. Height 69 $\frac{1}{2}$ " — width at base 26 $\frac{1}{8}$ " — Lengths 2'-1 $\frac{1}{4}$ " through 5'-1 $\frac{1}{4}$ " by even foot. Add-on sections available for longer lengths.

**STYLE #KSD — Hook Style** — Single face wall stands come supplied with double prong molded nylon coat hooks for large capacity (see table at right). Height 69 $\frac{1}{2}$ " — width at base 18 $\frac{1}{2}$ " — Lengths 2'-1 $\frac{1}{4}$ " — 3'-1 $\frac{1}{4}$ " — 4'-1 $\frac{1}{4}$ ". Add-on sections available for longer lengths.

**STYLE #KDD — Double-face "island" stand.** Also comes supplied with double prong nylon coat hooks for large capacity. (see table at right). Height 69 $\frac{1}{2}$ " — width at base 26 $\frac{1}{8}$ " — Lengths 2'-1 $\frac{1}{4}$ " — 3'-1 $\frac{1}{4}$ " — 4'-1 $\frac{1}{4}$ ". Add-on sections available for longer lengths.

# Vogel-Peterson

## Decorator HOOKS

The Vogel-Peterson Decorator Line coat hooks are truly things of beauty . . . graceful in line . . . exquisite in color . . . jewel-like in substance—superbly formed and finished in high polished and buffed aluminum, anodized bronze, silver, gold, plain or in combination with exquisite colors—coral, green or black glazed enamel.

More than just practical, efficient and useful, they offer elegance without garishness, smartness without flashiness, and the inherent quality and good taste that contribute to gracious living. They are in truth "a thing of beauty" and "a joy forever."

Illustrated—Rack No. 4P-38G2, with gold hooks accented in black on beautiful satin finished solid walnut panel 4" x 34".

*5 exciting shapes. 7 color combinations.*

Permanent mold cast aluminum in five exquisite shapes. Permanently bright and jewel-like. They graciously accent any decor. Sold as individual hooks or as racks, mounted on solid walnut panels 4" wide, in furniture grade satin finish. Hooks premounted on panels—wood screws for wall mounting included.

### PANEL SIZES—

- 4" x 5" —for 1 hook—Style #1-P
- 4" x 12" —for 2 hook—Style #2-P
- 4" x 18" —for 3 hook—Style #3-P
- 4" x 34" —for 4 hook—Style #4-P

Specify catalog number of panel and of hook and finish desired on hooks when ordering to be mounted on 4" panels. (Example 3P-61K2—Silver.)

### HOOK STYLE 99N

A gracefully formed coat and hat knob, durable and recommended for class and lecture rooms, restaurants, etc. Hook 99N mounts from back of panel (concealed screw), so designed that hook cannot revolve to unscrew. Walnut panels for 1, 2, 3 or 4 hooks are available for style 99N Hooks.

Illustrated Rack 2P-99N, with bronze finish on walnut panel. Silver and gold finishes also available.

## The V-P Closet-Trak

WITH YSR NYLON SLIDING RECEPTACLES\*

\*Pat Appl. For.

All YSR hanger receptacles slide faced either way.

LU6 6" Multi Hanger Sliding Receptacle for hang-up luggage

The new V-P Closet-Trak Rail mounts on the underside of any shelf—longitudinally or crosswise. These Anodized Aluminum Closet-Trak Rails receive the YSR-Nylon Sliding Receptacles which in turn slide with hangers either parallel to, or at right angles to, the wall. Rails measure 1-19/32" wide by 7/16" deep.

- They take all types of garment hangers — ball top — Y Top — conventional type — garment hangers from "suitcases" — support folding garment cases, simplify unpacking.
- Eliminate hanger loss.
- Reduce hanger investment for hotels, motels, clubs.
- Keep closets orderly.
- Increase closet capacity.
- Are perfect for Choir Robe, Band Uniform and Vestment Cabinets.
- Are Ideal for Mobile Homes.
- Can be installed in minutes.
- Permit modernization of closets without waste of present hangers and shelves — without redecorating.
- Are inexpensive.
